

# ~A 170-Year-Old Shop Continuing the Tradition of Nanbu Ironware~

## Oigen Foundry Co., Ltd. Factory Tour (Iwate Prefecture)

A long-established manufacturer of Nanbu cast ironware, continuing to produce iron kettles and pots with designs from 40 years ago as well as the latest designs.

### Innovative Technique "Naked Finish"

This sustainable technique unique to OIGEN, a long-established Japanese traditional crafts manufacturer, uses only iron and sand to look toward the present and future.

Experience the blend of tradition and innovation in their new manufacturing site, showcasing award-winning, beautifully designed Nanbu cast ironware!
